Advising Center

Location:Johnson Student Center 134 Phone:323-259-1341 Email:<u>advisingcenter@oxy.edu</u> <u>www.oxy.edu/advisingcenter</u>

While faculty advisors are the primary source of academic advising at Occident advising Center is an additional resource for students on routine academic matters, including questions about academic policies and procedures, tracking Core Requirements, placement extranssferring credit from other institutions, and so on. Advising Center advisors also frequently meet with students who are undecided about a major or minor and wish to discuss the various options, and it's a good first stop for students who aren't sure which office o

Academic Mastey Program

Director: Prof. Doug Duquette <u>duquette@oxy.ed</u>)u www.oxy.edu/academi@nasteryprogram

The Academic Mastery Program (AMP) provides challenging worksdrosts dents enrolled in general chemistry, organic chemistry, introductory physics, cellular and molecular biology, and basic calculus courses. These workshops are led by uppervel students and provide an opportunity to test knowledge and skills in the test of new and challenging problems. The workshops provide a time to work intensively and collaboratively with other committed students in an atmosphere that is demanding yet relaxed. Information about these workshops is provided in the relevant cours at the beginning of each semester.

Scientific Scholar&chievementProgram

Contact: ssap@oxy.edu www.oxy.edu/ssap

The mission of the Scientific Scholars Achievement Program (SSAP) is to support the development of a diverse body of individuals who will advance and enhance STEM (Science, Technology, Engineering, and Math) professional fields in an endeavor to meet the complex and evolving demands of a culturally **betwos** society.

SSAP provides tutoring in introductory and gateway STEM courses and encourages collaboration among classmates. All questions and learning styles from students are welcomed and encouraged in our program. Through educational and social evenSSAP aims to build community between faculty and students studying math and science at Occidental.
